

High School at Siena

Living a Balanced Life

Homework

- 2** hours of homework
- 30** minutes of homework per subject
- 4** subjects or fewer
- 20** minutes of independent reading

Students have the opportunity to seek help from teachers **during school hours.**

College Counseling

- **Personalized** college application list
- **College admissions counselors** visit Siena
- **Accommodations arranged for on-site ACT exams and prep**
- College admissions **essay written in school**

Independence

With initial support, students work to gain skills in **organization** and **time management** which lead to **academic independence.**

Internship Program

2
weeks of
internship every
school year

This allows students to **explore career interests**, practice **applying for a job**, **network** with professional mentors, and **develop independence and self-advocacy skills.**

Leadership

Students hold **leadership positions** within the school through **student clubs** such as Student Council, by **organizing school events** like dances, spirit days, participating on **sports teams**, **producing the yearly school play**, and volunteering.

Service Learning

60
Minimum of hours of completed community service before graduation, but **Siena students enjoy volunteering** and often go above and beyond the requirements
